

### **IHCDA Receives \$490,000 in CHDO Works Application Requests**

August 1, 2006, the Indiana Housing and Community Development Authority (IHCDA) received seven CHDO Works applications, requesting a total of \$490,000.

IHCDA offers approximately \$350,000 in operational funds for each round, totaling \$700,000, for CHDO certified organizations.

IHCDA Board of Directors will announce the application awards in September 2006.

Listing of the CHDO Works application information is available to view below. If your organization submitted an application and it does not appear on our list, please contact your Community Development Representative immediately at (800) 872-0371.
